

wish I could be with you today to colebrate, but even though we're about Lhope you feel my love You mean so much to me, and want you to know how grateful on to have you in my life. Thank you for being so kind and caring. Every moment we've shared, from laughing together to talking for hours, has made me feel so lucky to know you. I still remember the day of our first kiss and our first hug and I still get butterflies when Think of you chakkaree. It reminds me of how bapp

you make me and how special you are. One of the things I admire most about you is your strength. You face challenges with such grace, an it inspires me to be better. You make me feel loved, happy, and truly understood.

Even though we're apart, I'm always thinking of you and counting down the days until we're together again. I can't wait for more laughs, hugs, and memories with you. I want to take a moment to apologize for the mistakes I've made in the past, especially for the ones

that still hurts you. I know I haven't been perfect, and I'm truly sorry for any pain I've caused. Lookin back, I realize how much some of my actions might have hurt you, even if that was never my intention. You deserve so much love and respect, and trying hard to be better for you and for us. Thank you for staying with me despite my flaws. I promise to keep working to become the partner you deserve.

I want you to know that no matter what happens, I will always be there for you, through every high and low. You are my priority, and I will stand by you for as long as I live. No matter the distance 🖥 the challenges we face, my love and support for you will never fade. I promise to be your strength, your comfort, and your biggest cheerleader, always. Until the end of time, I will be here, loving you and supporting you through everything life brings our way. So here's to you, my bye. May this year bring you as much happiness as you've brought into my
